Dear Reining Horse Owners,

ARHA would like to re-introduce a program designed especially to help you as an owner and /or breeder of Arabian and 1/2 Arabian reining horses, get your horses in front of prospective buyers.

At Scottsdale 2011 we again be offering our ARHA sale horse listing for the second year. This is designed to help you get the “word out” that you have horses at the show available for sale and let buyers know how to find you.

An ARHA “Sale List” will be part of the official program with information on each horse available as well as a map of the stabling indicating where each sale horse is located. In addition, a daily “preview time” will be assigned to the reining arena so that buyers will know when and where sale horses may be seen. Each listed sale horse will be given a Lot # (like an entry number) to be worn during this preview and it will correspond with the list. We will encourage owners and trainers to have this lot # displayed any time the sale horse is out being ridden. That way anyone can quickly reference the sale list to see which horse is on display.

In the reining office there will be a binder with more detailed information, photos, show records, etc... that anyone shopping for a reining prospect will have access to.

ARHA is pleased at the response of this new concept in horse sales and hopes that you will take advantage and participate. The cost for each horse listing will be \$250. Spots are going to be sold on a first come first serve basis. Applications are being accepted and can be mailed to the below address or to the ARHA Office. Please remember that this is for horses that will physically be at Scottsdale and available for purchase. These horses must have a stall and be properly entered in the Scottsdale show.
